WEST MEMORIAL CIVIC ASSOCIATION

These subdivision restrictions shall also incorporate the ratification of the inclusion of West Memorial Subdivision, Section II, in the West Memorial Civic Association.

The undersigned parties, being all of the Owners of lots in West Memorial, Section II, a subdivision in Harris County, Texas, do hereby include in these restrictions imposed upon West Memorial, Section II, the following provisions:

MAINTENANCE FUND

1. DEFINITIONS: "Lot" shall mean and refer to the lots of land shown upon the recorded subdivision map of the properties excluding the unrestricted reserves which are to be developed for purposes consistent with the property restricted and no noxious or offensive trade or activity shall be carried on upon the tract nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

"Declarant" shall mean and refer to The Fairlane Corporation, a Texas corporation, chartered for the development of subdivisions and the building of homes, acting by and through its duly authorized officers, owners and developers of West Memorial Subdivision, Section II, joined by the Farm and Home Savings Association of Nevada, Missouri, its successors and assigns.

"Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any lot which is a part of the properties, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.

2. ANNUAL MAINTENANCE CHARGE: Each lot in West Memorial, Section II, is hereby subjected to an annual maintenance charge and assessment not to exceed \$4.00 per month or \$48.00 per annum to create a "maintenance fund".
3. PAYABLE: The maintenance charge and assessment will be payable monthly as it accrues by the owner of each lot within West Memorial Subdivision, Section II to West Memorial Civic Association, or its designated agent, on or before January 1, 1973, and on or before January 1 of each succeeding year to commence as to all lots on the first day of the month immediately following the conveyance of the first lot to an owner and thereafter during the period in which these restrictions are in force. The rate at which each lot will be assessed will be determined annually and may be adjusted from year to year by West Memorial Civic Association or its successor committee as the needs of the subdivision may in the judgment of that association or its successor committee require provided that such assessment will be uniform and in no event will such assessment or charge exceed \$4.00 per lot per month or \$48.00 per lot per year except as hereinafter provided for increase of the maximum annual assessment. Annual assessments may be payable monthly and the first annual assessment may be adjusted according to the number of months remaining in the calendar year and the due dates established by the West Memorial Civic Association, or its successor committee. The West Memorial Civic Association, or its successor committee, upon demand, and for a reasonable charge, will furnish a certificate setting forth whether the assessments on a specified lot have been paid.
4. INCREASE OF MAXIMUM ANNUAL ASSESSMENT: Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be Forty-Eight Dollars (\$48.00) per lot.

From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased each year not more than three (3) percent above the maximum assessment for the previous year without a vote of the membership.

156-34-0756

From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased above three percent (3%) by a vote of two-thirds of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

- 156-34-0757
5. **UNIFORM RATE OF ASSESSMENT:** Assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis. The Declarant or developer shall pay fifty percent (50%) of the homeowner's assessment on building sites ready for construction or improvements such payment to continue until the lot is sold to a homeowner. The developer or Declarant will not be obligated for payments on undeveloped lots.
 6. **EFFECT OF NONPAYMENT OF ASSESSMENTS:** Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six percent (6%) per annum. The association may bring an action at law against the owner personally obligated to pay the same or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his lot.
 7. **REPLACEMENT OF COMMITTEE:** When seventy-five percent (75%) of the lots in West Memorial, Section II are sold, the owners of the lots may create a committee or form a nonprofit corporation which shall replace West Memorial Civic Association in the collection of this maintenance fund and performance of the duties and purposes for which the fund is established.
 8. **PURPOSE:** All funds collected by West Memorial Civic Association or its successor committee in accordance with these provisions shall be used for the purpose of maintaining the streets, public parks, drainage ditches and walks, or any other facilities which are made or maintained for the benefit of the subdivision as a whole. The uses and benefits which may be provided by West Memorial Civic Association or its successor committee at its sole option depending upon the funds available and prevailing circumstances, may include but are not limited to, any and all of the following: Maintaining public parks, parkways, rights-of-way, easements, esplanades and other public areas, collecting and disposing of garbage, ashes; rubbish etc., payment of all legal and other expenses incurred in connection with the enforcement of all recorded charges and assessments, covenants, restrictions and conditions affecting the property to which the maintenance fund applies, payment of all reasonable and necessary expenses in connection with the collection and administration of the maintenance fund and assessment, caring for vacant lots, providing for payment and maintenance of street lights, grass cutting, and doing any other thing or things necessary or desirable to keep the property in the subdivision neat and in good order and to do those things which in the opinion of the West Memorial Civic Association or its successor committee are considered of general benefit to the owners or occupants of the property. It is understood that the judgment of West Memorial Civic Association or its successor committee in the expenditure of these maintenance funds shall be final and conclusive so long as such judgment is exercised in good faith.

- 156-34-0758
9. LIEN: An express lien is hereby granted to West Memorial Civic Association or its successor committee to secure payment of the maintenance charge but the lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.
 10. ADDITIONAL PROPERTIES: The proceeds of the maintenance fund may be used for the use and benefit of lot owners and residents in other and subsequent sections of West Memorial provided, however, that each future section to be entitled to the benefit of this maintenance fund, must be impressed with and subjected to the annual maintenance charge and assessment on a uniform, per lot basis, equivalent to the maintenance charge and assessment imposed by these restrictions, and further made subject to the jurisdiction of West Memorial Civic Association or its successor committee.
 11. RIGHT TO INSPECT BOOKS: The owner of any residential lot shall have the right to inspect the books and records of West Memorial Civic Association or its successor committee at any reasonable time.
 12. Howard, Jesse Brown and Frank H. Howard, Jr. and the street address of the initial registered office of the corporation is 3200 Kirby Drive, Houston, Texas, and the name of its initial registered agent at such address is John R. Howard. In the event West Memorial Civic Association is replaced by a successor committee, the right to membership provided herein shall cease but every owner of a lot subject to assessment through the successor committee shall be entitled to a vote in connection with the administration of the fund by the committee. Membership in West Memorial Civic Association is not limited to those subjected to this assessment but the association may accept other members and operate for broad civic purposes in accordance with its charter and by-laws. The West Memorial Civic Association will maintain a separate "maintenance fund" for the management and disbursement of funds provided for by these restrictions. The West Memorial Civic Association has designated its initial Board of Directors listed herein as the original committee to administer the maintenance fund.

The West Memorial Civic Association will have two classes of membership being Class A and Class B.

Class A. Class A members shall be all owners with the exception of the Declarant and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B members shall be the declarant and shall be entitled to three votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) When the total votes outstanding in the Class A membership equal or exceed the total votes outstanding in the Class B membership, or
- (b) On January 1, 1976.

13. FHA/VA APPROVAL: As long as there is a Class B membership, amendment to these restrictive covenants and any dedication of common area will require the prior approval of the Federal Housing Administration or the Veterans Administration.

14. ENFORCEMENT: These covenants may be enforceable by the individual homeowners and shall be binding upon each owner of any lot or lots affected by these restrictions and each owner of a lot so affected shall have the right to enforce these restrictions in law or in equity against the person or persons violating or attempting to violate any such restrictions.

Except as amended, modified and changed hereby, said restrictions are ratified and confirmed by the parties hereto.

IN WITNESS WHEREOF, we the undersigned in the capacity stated do execute and acknowledge these subdivision restrictions this the 26th day of January, 1973.

Any dwelling which does not comply with these provisions shall be made to comply or shall be removed from said lot by an action instigated by the architectural control committee of said West Memorial Subdivision.

7. No building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finished grade elevations. Approval, therefore, shall be as provided in Paragraph 20 hereof.
8. No building shall be located nearer to the front line or nearer to the side street line than the building set-back lines as shown on the recorded plat. No building shall be located nearer than five (5) feet to any inside lot line except that the said line restriction shall not apply to a detached garage or other out-building. No main dwelling shall be located on any interior lot nearer than ten (10) feet to the rear lot line. For purposes hereof, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any encroachment upon any other lot.
9. No fence, wall, hedge, or mass planting shall be permitted to be nearer to any street than the minimum set-back lines, except on corner lots where the side fence may be five (5) feet nearer the street than the building set-back line. 14. Grass, weeds, and vegetation on each lot shall be kept mowed at regular intervals so as to maintain the same in a neat and attractive manner. Until a home or residence is built on a lot, the undersigned, or their representatives, may at their option have the grass, weeds, and vegetation cut when and as often as the same is necessary in their judgement, and may have dead trees, shrubs, and plants removed from the property, and the owner of said lot or tract of land shall be held by the acceptance of a deed thereto to be obligated to pay and reimburse them for the cost of such work.
15. An easement for utility installations and maintenance thereof, as well as ingress and egress to said easements is expressly retained by grantors, for the use of grantors, their assigns, or any other authorized utility company representative, to make such installations and maintain the same is reserved over the property and the easements affecting said lots are reserved as shown on said recorded plats and in accordance with same, whether such easement is over the rear property line or over the side property line.
